News & Notes

Summer has not quite ended, but the change of seasons is in the air as evenings are getting dark a little earlier, kids are heading back to school, and leaves are at their fullest before they burst into beautiful autumn colors. The Chamber has been busy with their own transition over the summer and we are looking forward to our signature fall events and exploring new ways to connect with our members and community.

In August, Congresswoman Madeleine Dean joined us as our featured guest at our third and final Legislative Affairs Series meeting of 2021. We were delighted to welcome her and our attendees in person to the outdoor space at The Loft at Sweet Water Country Club. The WOW Wagon provided a delicious breakfast, and the conversation with the legislator was thoughtful and respectful.

Golfers at the UPV Chamber's 21st Annual Golf Outing in September will be treated to a full buffet lunch from the Valley Café, as well as stations on the course. The traditional Clambake dinner served by Sodexo at Perkiomen School will return this year and non-golf participants are welcome to join us for an evening of great food, music, and fun. A silent auction and spirit pull will round out the activities at the event. If you're unable to attend, consider donating an item as a unique way of marketing your business.

We are excited to continue our "Bingo & Bubbly" event again this October at beautiful Green Lane Park. Held under a large tent at the amphitheater overlooking Knight Lake, all attendees will receive complimentary bubbly and chocolate to enjoy along with their own beverages and snacks as they try their luck to win one of many designer bags, as well as great raffle prizes. Last year's premiere event was a picture-perfect brisk fall day, so reserve your tickets early to take part in the fun.

The Chamber is pleased to announce a new benefit for members in our online Job Bank. Members are able to log in to their account to post job openings and view resumes submitted by job seekers. Candidates can view available employment opportunities and apply directly through the website. We will also have a table in front of our office on Main Street at East Greenville's Community Day on Saturday, September 11. If you are out and about, be sure to stop by to say hello.

The first two months of my new position have been exciting and full of possibility. I'm looking forward to our events that will close out this year and planning ahead for a dynamic year in 2022. As always, we invite you to keep in touch, stay engaged and challenge yourself to become active in new ways.

Allison

Recap of Events

August Legislative Affairs Series Meeting

August 19, 2021 | The Loft at Sweet Water Country Club

The final session of the Legislative Affairs Series was held on August 19th at The Loft at Sweet Water Country Club. Congresswoman Madeleine Dean provided a summary of the Bipartisan Infrastructure bill and how the budget will transform our region to help small businesses flourish. She also took time to respond to questions presented by attendees. We extend our appreciation to our sponsors, participants and The WOW Wagon for catering a delicious breakfast.
