## News & Notes from UPV Chamber President, Luanne B. Stauffer

As the summer winded down, we hosted our last legislative affairs meeting of 2020 as a virtual event with Cong. Madeleine Dean and Sen. Pat Toomey's Field Representative, Phil Innamorata. Although virtual meetings have lost their novelty, it was still good to "see" everyone and get an update on national news.

As we transition seasons, we're orchestrating some bright spots for this fall. Thanks to flexible sponsors, careful planning and lots of committee support, we've come up with two safe, responsible and fun in-person events.

Golfers at the UPV Chamber 20th Annual Golf Outing will be treated to grilled burgers & hotdogs, clam chowder, Rita's water ice, soft pretzels, beer on tap and snacks at various stations located on the course, followed by a streamlined clambake buffet served by Sodexo at Perkiomen School's Alan Kern and staff. Golf prizes were traded out for local restaurant gift cards and the silent auction was moved online.

We've rescheduled and reconfigured our initial designer bag bingo event into "Bubbly & Bingo" at the Green Lane Park on October 18. Rain or shine under a big tent with plenty of room for social distancing, all participants will receive a split of bubbly and chocolate treats. Other food and beverage will be BYO and there will be fun prizes and special games. Registration is limited so reserve your tickets early.

We are still exploring options for other fourth quarter events. The Business & Education (usually a breakfast) meeting has been moved into a virtual platform in November (Date TBA). We hope to offer a holiday function but there are many moving parts. We will let you know our plans so watch for email and social media updates as we move closer to the end of the year.

In the meantime, take care and stay in touch,
